

# APPLICATION FOR FREE OR REDUCED STUDENT ADMISSION

The Musical Instrument Museum (MIM) periodically receives grant funds intended for education from generous donors. The grants help students across the state to visit MIM and discover authentic musical artifacts, learn about different cultures through state-of-the-art audio and video recordings, listen to an expansive collection of indigenous music, and play instruments from around the world. These funds from corporations, foundations, and individuals are donated to MIM's Education Department to award students based on each grant's requirements. The funds are available on a first-come, first-served basis.

- Granted funds may be available to cover all or part of the \$8-per-student admission fee; chaperones are free within a 1:5 elementary school-aged ratio and 1:10 middle school-aged and high school-aged ratios. **No transportation money is included.**
- The minimum group size is 10 students.
- Guided and self-guided tours are available for students grades PreK–12. Visit [MIM.org/educator-resources](https://www.mim.org/educator-resources) for curriculum information.
- Scan and e-mail this form to MIM's school-tour coordinator at [grouptours@mim.org](mailto:grouptours@mim.org).
- Applicants will be notified via email of reservation confirmation, level of grant support, or if grant funds are no longer available.

**PLEASE PRINT LEGIBLY** (Fill out the entire form, as incomplete forms will not be considered.)
